

CBP500 Top-Load Coolers **NEW!**

Introducing a brand new line of coolers, the Brio Premiere Series. The CBP500 Premiere Series Top-Load Coolers are the most durable, long-lasting coolers in the market. These coolers provide you with the same heavy-duty framework and internal hardware of the high-end coolers traditionally leased and sold through by professional water delivery companies, but at a significant cost savings. While they are durable enough to withstand years of abuse and heavy traffic, they also have a sleek, modern design that fits perfectly into any home or office decor, and a whisper-quiet running sound that will ensure they go unnoticed except when they are in use.

Features:

- High-efficiency compressor with the lowest cycle rate available ensures a long lifespan
- High-volume, 304 electro polished stainless steel hot and cold tanks with internal heating coils and copper refrigerant lines ensure no off taste to water
- The hot water feature is accompanied with a child safety guard

Options:

- CBP500: Hot & Cold, White
- CBP505: Cook & Cold, White
- CBP520: Hot & Cold, Black
- CBP525: Cook & Cold, Black
- CBPC500: Hot & Cold, White (Counter top)
- CBPC520: Hot & Cold, Black (Counter top)

Specifications	
Item Number:	White - CBP500 (HC) Black - CBP520 (HC)
Function:	Hot & Cold
Power Supply:	AC 240V 60HZ
Net Dimension:	12.4" x 14" x 18"
Net Weight:	28.2 lbs.
Cold Tank:	
Volume of Tank:	3.4L
Consumption:	100W
Capacity:	5°C-12°C 2L/H
Hot Tank:	
Volume of Tank:	1.6L
Consumption:	400W
Capacity:	80°C-90°C 10L/H

Specifications	
Item Number:	White - CBP500 (HC) CBP505 (CC) Black - CBP520 (HC) CBP525 (CC)
Function:	Hot & Cold / Cook & Cold
Power Supply:	AC 240V 60HZ
Net Dimension:	13" x 13" x 38"
Net Weight:	35.3 lbs.
Cold Tank:	
Volume of Tank:	3.4L
Consumption:	100W
Capacity:	4°C-12°C 2L/H
Hot Tank:	
Volume of Tank:	2L
Consumption:	400W
Capacity:	80°C-90°C 10L/H
Shipping Information:	
Pallet Qty:	24 pcs.
Container Qty:	Hand Packed; 576 pcs.
